To whom it may concern:

In response to the Notice to File Corrected Application Papers mailed by the U.S. Patent and Trademark Office on April 27, 2001, Applicant submits a set of formal drawings herewith.

The originally filed drawings were objected to due to inappropriate margins. The formal drawings submitted herewith have been revised to provide margins in accordance with 37 CFR 1.84(g). Applicant asserts that the objection to the drawings has, therefore, been overcome.

Respectfully submitted,

---
